## **Summary:**

### **Affects:**

- |                          |              |                          |                  |                          |                    |
|--------------------------|--------------|--------------------------|------------------|--------------------------|--------------------|
| X                        | Constitution | <input type="checkbox"/> | By-Laws          | <input type="checkbox"/> | Class Rules        |
| <input type="checkbox"/> | Deed of Gift | <input type="checkbox"/> | Rules of Conduct | <input type="checkbox"/> | NoR or SI Template |
| <input type="checkbox"/> | Other        |                          |                  |                          |                    |

## **Objective:**

### **Proposal** Section 29. *Chief Measurer*

The Board of Governors shall appoint a Chief Measurer. He shall serve a four year term with re-election possible after the first term. He shall be responsible for managing the Class Measurers worldwide. He shall be a member of the Rules Committee and shall advise that Committee on Measuring Rules problems. *The Chief Measurer shall supervise all certified measurers, grant or reject measurement certificates, issue duplicates, and answer questions on measurement rules in coordination with the Chairman of the Rules Committee. Subject to the approval of the Technical Committee, he shall establish and maintain measurement standards, forms and techniques. He shall maintain liaison with the Technical Committee, and may recommend to that board changes in Plans and Specifications.*

### **Reasons:**

This is a housekeeping issue to fully describe the functions and responsibilities of the Chief Measurer.

---

<sup>1</sup> Proposals can be made by the Board, Technical Committee, National Secretaries or 5 fleet captains up to 1<sup>st</sup> March.
