

## Commodore Hub E. Isaacks Trophy

**Emblematic of:** World Championship of SCIRA. Held every two years in the odd numbered years.

**Donated by:** Dr. Hub E. Isaacs, first Commodore of SCIRA.

**Owned by:** SCIRA

**Awarded to:** The fleet of the winning skipper.

**Entry & Eligibility:**

1. Skipper and crew must be SCIRA members in good standing with the Association. All boats must have a current decal. All skippers shall be citizens or residents for at least one year of the country they represent and each must present credentials signed by his National Secretary attesting that he is the entrant.
2. The same skipper must sail all races and he can be replaced after the first race only, and then only if the skipper is obviously incapacitated. If a skipper is replaced in this manner, the first race shall be the race excluded. The same crew shall sail all races except for reasons satisfactory to the Race Committee.

**Open To**

1. The following formula shall be used. Registered Boats means number of properly registered boat owners submitted to the SCIRA office by each National Secretary on the dues paid members for that year. Information **must** include: name, address, fleet number and hull number to which the member has paid dues upon.

### Average Number of Registered

Boats for the past 2 years	Entries
1-5	1
6-15	2
16-30	3
31-50	4
51-100	5
101-200	6
201-300	7
300+	8

2. Additional Entries:
    - World Champion
    - European Champion
    - Western Hemisphere & Orient Champion
    - Women's World Champion
    - First and second place in the Junior World Championship will qualify for the senior worlds in a succeeding year.
  - 3.. Any former Isaacs World Champion skipper has an automatic entry to the championship that is not included in their home country's quota.
  4. One additional skipper from the host country, providing that it does not have among its other representatives the Junior or Senior World, European or Western Hemisphere & Orient Champion
  5. One additional skipper from the host fleet.
- In the event that the total entrants do not meet a total of 80 boats:
1. If 3 months prior to the official start of the Championship, countries in good standing with SCIRA have not registered their maximum number eligible entries, and the number of registered entrants has not reached 80 teams, those unassigned entry slots will be re-allocated to a pool of qualified entrants, as provided below. The unassigned entry slots are defined as the difference of valid entrants at the close of the initial registration period from the maximum number of 80 teams.
    - a. The initial registration period starts six months prior to the start of the Championship or upon posting of the NOR. This registration period ends a minimum of three months prior to the official start of the Championship.
    - b. SCIRA and the organizing authority shall post to the Official Regatta Website, or via equivalent means, the number of additional entries available to the regatta and the assigned pro-ration of these additional entry slots to those countries which have registered entries and fulfilled its allotment during the initial registration period. The allocation will be communicated within one week of the conclusion of the initial registration period.
    - c. Reallocated entrants will not count against, nor limit, the initial per country allocation.
  2. The number of entries available for reallocation will be the difference between the fleet limit of 80 and the number of entrants registered during the initial registration period.
    - a. Those countries which are eligible for additional entries will then have from the time of the posting until eight weeks prior to the Official start of the Championship to register additional entries.
    - b. Any unfilled reallocation entry not registered eight weeks prior to the regatta shall lose that entry which will then be made available on a "first come" basis only from received valid registration.
    - c. A valid entry is an entry with full registration fees paid and the entry signed and approved by their National Secretary.

**Regatta Conditions:**

1. "Rules for Conducting National and International Regattas" are specific instructions furnished by the International Rules Committee and approved by the SCIRA Board of Governors. These instructions must be followed in all respects.

2. Nine or eleven races, depending on local conditions, of the official SCIRA courses published in the current Rulebook or SCIRA official web site ([www.snipe.org](http://www.snipe.org)). Races shall be managed to last

approximately 60-75 minutes. A different time used to complete the race will not be grounds for protest. The fastest schedule approved is as follows:

- First, second, and third days - 3 races.
- Fourth day - 2 races
- Fifth day - 0 races

3. If six to eight races are completed, the worst race shall be excluded, including a disqualification, If nine to eleven races are completed, the two worst races shall be excluded, including a disqualification. If five or fewer races are completed, all shall be counted
4. 3 races constitute a regatta.
5. Sailed in waters selected by the Board of Governors.
6. There must be a judge at each mark and there must be separate regatta and protest committees.
7. World Sailing RRS shall apply. National prescriptions of the host country may be used.
8. The country holding the regatta must furnish an adequate number of equally matched boats with good racing capability to loan to contestants who do not bring their own boats.
9. Skippers may bring their own boats if desired.
10. All skippers must use their own sails (borrowed sails not permitted). In case of chartered or loaned boat the skipper may use the sail number of his/her own boat and both boats shall be registered to SCIRA for the current year.

**Time Limit:** Details in "Rules for Conducting National and International Championship Regattas."

**Trophy Responsibility and Conditions:** The trophy is the responsibility of the Fleet of the winning skipper. The fleet shall see that the trophy is taken care of, guarded and returned to the place designated for the next competition, properly boxed for shipment with all duties and other charges paid by the Fleet. The name of the winning skipper, year, fleet and country shall be engraved at the winner's expense in uniform engraving.
