The National Secretary shall be responsible for safekeeping of the trophy and its international Rules Committee and www.snipe.org shall be chartered for an amount not exceeding an ebook or SCIRA official website (www.snipe.org).

The country holding the regatta is obliged to offer lodging and food to the first crew of each country, to present credentials signed by his National Secretary attesting that he is the entrant. The same skipper must sail all races and he can be replaced after the first race only, and then only if the skipper is obviously incapacitated. If a skipper is replaced in this manner, the first race shall be the race excluded. The same crew shall sail all races except for reasons satisfactory to the Race Committee.

Regatta Conditions: Held every two years in odd numbered years in waters selected by the Board of Governors, using “Rules for Conducting National and International Regattas” as furnished by the International Rules Committee and approved by the SCIRA Board of Governors.

1. Nine or eleven races, depending on local conditions, of the official SCIRA courses published in the current Rulebook or SCIRA official website (www.snipe.org). Races shall be managed to last approximately 60-75 minutes. A different time used to complete the race will not be grounds for protest.

2. If 9 to 11 races are completed, the two worst races shall be excluded, including a disqualification. If 6 to 8 races are completed, the worst race shall be excluded, including a disqualification. If 5 or fewer races are completed, all shall be counted. Three races shall constitute a regatta.

3. There must be separate regatta and protest committees and a judge at each mark.

4. Competitors may use their own boats. The Fleet organizing the event shall provide to juniors not bringing their own boats of good quality and competitiveness that shall be chartered for an amount not exceeding US$500.00, insurance inclusive. The boats provided shall be of hull #29000 or higher. A committee composed of the Commodore, National Secretary of the host country, a qualified SCIRA representative from the opposing hemisphere, and others to be designated by the Commodore shall be assigned to review and approve the boats. At least two extra boats will be provided at the regatta site to allow for beyond prompt repair of a breakdown and replacement.

5. The country holding the regatta is obliged to offer lodging and food to the first crew of each country, National Secretaries and SCIRA authorities, and if possible to the second crew. Lodging to be in private homes, if possible.

Trophy Responsibility and Conditions: The National Secretary shall be responsible for safekeeping of the trophy and its delivery with all fees paid, to the site of the next competition. The name of the winning skipper & crew names, year, fleet and country shall be engraved at the winner’s expense in uniform engraving.
