The Snipe Class International Racing Association

This bulletin contains the news of a class of small sailboats that was started in 1911. To date there are 159 registered boats in the class with twenty-nine fully organized racing fleets. All boats of the class are registered in boats that are also registered. After registration boats may join Divisional Fleets and receive measurement certificate from the measures.

GROPPREY L. POLITI, sailing with the Royal Cape Yacht Club, South Africa, has made a record-breaking performance in the annual high point score event. This event, sponsored by the Yacht Racing Association of Western Long Island Sound, includes the Snipe Class yachts in the fleet. Every race counts in the final score, and the fleet competes in the demanding conditions of the sound. The event is considered one of the most prestigious in the world, and the Snipe Class is known for its competitive spirit and technical ability.

The two new fleet champions have been given this month. The first fleet is sponsored by the Snipe Club, and the second is the International Snipe Club. Both fleets are active and well-supported, with many experienced sailors participating. The fleets have been in existence for several years, and both have a strong following among Snipe sailors.

The Snipe Class International Racing Association conducts races in Western Long Island Sound, including the Snipe Class fleet. The Snipe Class fleet must have measurement certificate before taking part in any of the open classes of the Yacht Racing Association of Western Long Island Sound. New boats any arrangements for the measurement with the local measurement and safety regulations. The Snipe Class is known for its competitive spirit and technical ability.

Newly registered boats will have measurement certificates issued by the association, and the certificates will be distributed every two years. The certificates are used to confirm the boat's compliance with safety regulations and technical requirements. The association maintains a strict enforcement of these requirements to ensure a safe and fair racing environment. All new boats are closely monitored to ensure compliance with the regulations.

Five registration numbers have recently been assigned to new boats. These numbers are the identification codes for each boat, and they are used to track the boat's participation in races and events. The association maintains a comprehensive database of all registered boats, which includes information on their measurement certificates, safety records, and other relevant details. This information is used to ensure a safe and fair racing environment for all participants.
but will be dark clipped. Merle J. Davis, commodore of this Association, has once more won the championship of his class in the Mid-winter Regatta at Los Angeles. Horace Lake, of Lakeland, New Jersey, has reserved five additional numbers which will be taken up this summer. On Friday last, the very large owners' regatta in Great Britain, the Earl Long, Jr., his tendered his resignation as New England district secretary. He says he will never again be involved in such matters. John Long, II, the active owner of the famous Scipio, has tendered his resignation. The plans for the new club house at the new location are nearing completion. It will be a year before the new structure can be completed and filled.

... results may be obtained at the New England district secretariat.

... it was to be expected that there would be a change in the management of the club. New officers have been elected and the old ones retired. The new officers include the following: President, John Long, Jr.; Vice-President, James E. Allen; Secretary, L. H. Smith; Treasurer, J. F. Taylor; and Director, W. H. Smith.

... the annual meeting of the club was held on October 15. The following officers were elected for the ensuing year: President, John Long, Jr.; Vice-President, James E. Allen; Secretary, L. H. Smith; Treasurer, J. F. Taylor; and Director, W. H. Smith.

... a new club house is to be built on the site of the old one. The plans for the new club house are being drawn. It will be a year before the new structure can be completed and filled.

... the old club house is to be razed and a new one to be built on the same site. The plans for the new club house are being drawn. It will be a year before the new structure can be completed and filled.

... the annual meeting of the club was held on October 15. The following officers were elected for the ensuing year: President, John Long, Jr.; Vice-President, James E. Allen; Secretary, L. H. Smith; Treasurer, J. F. Taylor; and Director, W. H. Smith.
